

PUCE Weekly News

October 11, 2007

Picture Retake Day is Tuesday, October 16. If you or your student did not like the photograph that came home or missed having their picture taken in September, the photographer will be here on Tuesday for round two. To get a retake, bring your unwanted picture packet to turn in.

This Friday all students will do preliminary testing for the Presidential Physical Fitness program. Next Thursday will be the kickoff for our Walk Across America—a month-long activity designed to encourage students to maintain an active lifestyle.

Ms. Karen, beloved teacher to many of our older students, is going on a mission trip to El Salvador to help build an elementary school. Our students have an opportunity to reach out to these children by gathering and sending art supplies with Ms. Karen. There is a collection box in the school lobby labeled “Seeds of Learning.” Please donate NEW art supplies—crayons, watercolor paints, markers, clay, tablets, etc. Ms. Karen will be leaving at the end of the month.

Be sure to read the announcement accompanying this newsletter regarding a meeting for all parents of private school students on Monday, October 22, in the PUC Church Fireside Room.

There are a lot of ways to donate to PUC Elementary. Can you name them all?

1. Turn in Box Tops for Education to your student’s teacher.
2. Go to website and sign up. We get extra points. www.boxtops4education.com
3. Sign up online for escrip. If you register your Safeway card and/or certain credit cards we make a profit on every purchase. www.escrip.com
4. Purchase cookie dough, pretzels, pizza or a candle from our current fundraiser.

The final total on our Relay for Life effort was \$1,702.73! We met and surpassed our \$1,500 goal.

Thank you to the parents that represented PUC Elementary by participating in the hospitality table last Sabbath at the PUC Church. If you are interested in hosting or providing food some Sabbath morning for the church, contact Holly Jeske.

Parents are invited to hear guest speaker/author Regan McMahon talk on Wednesday evening, October 17, at 6:30 p.m. in the St. Helena Elementary Auditorium. Regan is the author of *Revolution in the Bleachers—How Parents Can Take Back Family Life in a World Gone Crazy Over Youth Sports*.

Next week’s hot lunch menu is Week Two.
